

Do You Have a Power Quality Program?

The TPD Power Quality Program: Ensuring that the best power protection devices are in place to stop or limit the effects of imperfect power.

TPD is an affordable kVA solution that eliminates transients and surges, accounting for **85% to 95%** of all power issues!

- Power Outages
- Harmonics
- Sags/Swells

- Power Filtration
- Surge Protection
- Grounding/Bonding

Practical. Functional. Enhances Operational Reliability. Loss Prevention. Risk Mitigation.
